COMPILATION NOTE
Prepared by Forests NSW Corporate Resource Information Unit (CRU) from Forests NSW digital database, Department of Environment and Conservation (DEC) digital data, Department of Land and Water Services (LWS) digital data (DLDB), and supplemented by field revision in March 2010. Place names on this map are not all geographical names under the Geographic Names Act, 1966. Land names as at March 2010.

CAUTION: Roads and tracks on private property should not be used without the owners permission. Gates and grids across the road, or absence of fencing on one or both sides, indicate that the road may be on private property. Only regularly maintained forest and park roads are shown on this map.

DISCLAIMER: This map is not guaranteed to be free from error or omission. Therefore, the State of New South Wales, Forests NSW and its employees disclaim liability for any act done or omission made on the information on the map and any consequences of such acts or omissions.
