John Jolliffe Forest Logging Pty Ltd 81-83 Piper Street BALRANALD NSW 2715

Dear John,

RE: WOOD SUPPLY AGREEMENT (WSA) BETWEEN THE FORESTRY CORPORATION OF NSW (FCNSW) AND FOREST LOGGING PTY LTD

As you are aware, the parties entered into the WSA described above for the sale of Red Gum Residue from 1 October 2017 to 30 June 2022. Forest Logging approached FCNSW for an extension to the term in January 2022 to enable harvesting of volume it has been unable to take within the existing WSA term.

If Forest Logging is agreeable to a 12-month extension of these arrangements, I propose that the WSA is extended until 30 June 2023. While all other elements in the WSA will remain the same, the Expiry Date in Item 4 of Schedule 1 of the WSA will be amended to 30 June 2023.

I trust this is satisfactory and ask that you provide written acceptance of the WSA extension or otherwise via a return email or letter when convenient. Don't hesitate to contact me in the interim if you want to discuss or require further clarification.

Yours sincerely

ANDREW MCCURDY

 - 2.2.13 a reference to the Minister is a reference to the Minister acting in his capacity as representative of the Crown in the right of the State of New South Wales but not as a statutory officer under the Act.

ON CUT

- 2.2.14 a reference to FCNSW making Timber available is a reference to making Timber available by the method described in **clause 8.1**;
- 2.2.15 a reference to the Company taking Timber is a reference to taking Timber under a licence issued to the Company under the Act.

3. SCOPE OF AGREEMENT

- 3.1 The Company carries on the business of Timber processing and sales and requires supplies of Timber to conduct its business.
- 3.2 From the Commencement Date FCNSW will make available supplies of Timber to the Company and the Company must take or accept and pay for the supplies of Timber made available by FCNSW upon the terms and conditions set out in this Agreement.
- 3.3 The Company must pay FCNSW the Stumpage Price for Timber.
- 3.4 The Company must conduct Harvesting Operations in relation to Other Log Products and if it does so as the contractor for FCNSW, FCNSW must pay the Company the Harvesting Rates for that work.

4. DURATION OF AGREEMENT

- 4.1 This Agreement will commence on the Commencement Date.
- 4.2 The Agreement shall operate until the Expiry Date unless terminated sooner as provided in this Agreement.

5. ALLOCATION

- 5.1 Each Year FCNSW must use reasonable endeavours to make available 100% of the Allocation to the Company or such lesser quantity that the Company requests.
- 5.2 FCNSW must use reasonable endeavours to make the Timber available from within the Priority Area of Supply.
- 5.3 Despite any provision of this Agreement FCNSW is not obliged to make the Timber available from outside the Area of Supply.
- No claim can be made by the Company against FCNSW respecting the actual quantity made available if FCNSW complied with clause 5.1.

6. SHORTFALL

6.1 If for reasons other than Force Majeure, or the default of FCNSW, the Company fails in any Quarter to take at least 80% of the Quarterly Allocation the Company must pay FCNSW, within 30 days of FCNSW's written demand, the sum of money equal to the difference between the price that would have been payable had the Company taken 80% of the Quarterly Allocation and the price paid or payable for the quantity of Timber actually taken by the Company in the Quarter. Any sum payable by the Company under this clause is payable as pre-estimated and liquidated damages and not as a penalty.

- 6.2 If in the Quarter in which the Company makes a payment under **clause 6.1** the Company takes a quantity of Timber in excess of 80% of the Quarterly Allocation ("excess Timber"), the amount payable by the Company for the Stumpage Price component for the excess Timber will be reduced by the amount of the Stumpage Price component of any sum paid under **clause 6.1**. The amount of any reduction allowed must not exceed the sum that would have otherwise been payable for the Stumpage Price component of the excess Timber.
- 6.3 If for reasons other than Force Majeure or the default of FCNSW the Company:
 - 6.3.1 takes less than 80 per cent of the Allocation for two consecutive Years during the Term; or
 - 6.3.2 takes less than 70 per cent of the Allocation in any Year,

FCNSW may terminate this Agreement under the provisions of clause 27.

6.4 If in a Year for reasons other than Force Majeure or the default of FCNSW, the Company takes less than 80 per cent of the Allocation FCNSW may, after consultation with the Company and by notice in writing to the Company given no later than 3 months after the end of the Year, amend the Allocation by reducing it to a quantity not less than the quantity of the Allocation taken by the Company during the Year.

7. METHOD OF SUPPLY

- 7.1 FCNSW will make Timber available to the Company by issuing licences under the Act enabling the Company or its agent to take Timber by undertaking Harvesting Operations.
- 7.2 In undertaking Harvesting Operations the Company must at all times comply with the provisions detailed in **Schedule 4**.
- 7.3 The parties acknowledge that for time to time the Company will be required to temporarily cease Harvesting Operations in, or move from a Harvesting Unit to facilitate the reasonable request by lessees to carry out land management functions that are not compatible with Harvesting Operations for a period of time.

8. OTHER LOG PRODUCTS

- 8.1 During the course of conducting Harvesting Operations to take Timber under this Agreement where a tree is capable to yielding both Timber and an Other Log Product the Company must also produce the Other Log Product as directed by FCNSW.
- 8.2 The Company must use its reasonable endeavours to reach agreement with the Other Agreement Holder to whom Other Log Products are being supplied being an agreement under which the Company acts as the contractor for the Other Agreement Holder in relation to the Harvesting Operations involved in harvesting the Other Log Products and loading them onto the Other Agreement Holders haulage vehicles at agreed rates and otherwise on such terms as the parties see fit ("an OLP Contract Harvesting Agreement").
- 8.3 If an OLP Contract Harvesting Agreement cannot be reached or if **clause 8.4** applies, an agreement shall come into effect between the Company and FCNSW under which the Company conducts the Harvesting Operations involved in producing Other Log Products and loading them onto Other Agreement Holders haulage vehicles as the contractor for FCNSW. In such a case **Schedule 5** applies.
- 8.4 Despite **clause 8.2** FCNSW may at its discretion instruct the Company not to negotiate an OLP Contract Harvesting Agreement.

Ch Cart

8.5 The Company must maximise the value of all Other Log Products produced by measuring, marking, servicing and grading all logs in accordance with the FCNSW publication Red Gum Grading Manual (2004), unless otherwise directed in writing by FCNSW.

9. HARVESTING PLANS

- 9.1 FCNSW will prepare and issue to the Company Harvesting Plans for the conduct of Harvesting Operations. Where practicable, FCNSW will consult with the Company during the preparation of each Harvesting Plan.
- 9.2 FCNSW will use all reasonable endeavours to ensure that Harvesting Plans are prepared in a timely fashion to facilitate the continuity of the Company's Harvesting Operations.
- 9.3 The Company must comply with the conditions specified within the Harvesting Plan including all relevant legislation referenced therein.
- 9.4 The Company must not conduct Harvesting Operations except in accordance with a Harvesting Plan issued by FCNSW.
- 9.5 The Company acknowledges that during the Term:
 - 9.5.1 FCNSW will require the Company to record the movement of tree felling equipment used in Harvesting Operations.
 - 9.5.2 The Company will be required to:
 - (a) record and store GPS data of the movements of tree felling equipment within each Harvesting Unit for at least 12 months, or other period as reasonably specified by FCNSW, after completion of Harvesting Operations in a Harvesting Unit;
 - (b) produce that data when requested by FCNSW; and
 - (c) acquire and use GPS equipment that is capable of performing those functions at its own cost.
- 9.6 The Company shall at the request of FCNSW carry out Operator Tree Selection and/or harvest boundary location in the Harvesting Units it conducts its Harvesting Operations in under this Agreement at its own cost and expense including without limitation costs and expenses associated with:
 - 9.6.1 acquisition and maintenance of all necessary equipment; and
 - 9.6.2 making available employees for training by FCNSW and otherwise fully cooperating with FCNSW in the process of preparing the Company to conduct Operator Tree Selection.
- 9.7 If requested by FCNSW, the Company must truly and correctly complete and provide to FCNSW any audit checklist supplied by FCNSW regarding the Company's compliance with prescriptions specified in the relevant Harvesting Plan and the Codes.

10. EXTRACTION, PRODUCT SEGREGATION AND STOCKPILING

- 10.1 The Company must use its best endeavours to ensure that Timber and Other Log Products are removed from the Harvesting Unit (lease) within 7 days of felling.
- 10.2 It is the Company's responsibility to construct and maintain road access for timber haulage throughout the lease.

The S

- 10.3 The Company must, if requested by an Authorised Person, dismantle a log stockpile at the Log Landing so as to make logs accessible for inspection.
- 10.4 The Company must, if requested by FCNSW, participate at the Company's cost in log segregation exercises and audits.
- 10.5 If in FCNSW's reasonable opinion the Company has not complied with clause 10.1 FCNSW may restrict the progress of Harvesting Operations through the Harvesting Unit until the Company has complied with clause 10.1.

11. COMPLIANCE

- 11.1 The Company must comply with:
 - 11.1.1 The Act and all other applicable statutes and subordinate legislation in particular:
 - (a) The Work Health and Safety Act 2011, Work Health and Safety Regulations 2011, any relevant Codes of Practice and Australian/International Standards;
 - (b) Heavy Vehicle National Law (NSW), Heavy Vehicle National Regulations (NSW), Heavy Vehicle (Mass Dimension and Loading) Regulation (NSW) NSW Road Transport Act 2013 and the Road Transport (Vehicle Registration) Regulation 2007 particularly in relation to roadworthy requirements, gross combination mass, chain of responsibility, vehicle permits and registrations;
 - 11.1.2 The requirements of anybody lawfully having authority in relation to the subject matter of this Agreement;
 - 11.1.3 The Codes;
 - 11.1.4 Any relevant Plan of Operations or Harvesting Plan;
 - 11.1.5 The conditions attached to any license issued to the Company under the Act or other license or permit issued to the Company by a government authority;
 - 11.1.6 Any lawful direction given to the Company by an Authorised Person.
- The Company must ensure that their respective agents, contractors or other persons under their respective control or direction comply with clause 11.1.
- 11.3 The Company must provide evidence of compliance with this **clause 11** if requested to do so by FCNSW.

12. TITLE AND RISK

- 12.1 Ownership of the Timber taken by the Company will pass to the Company on payment for the Timber.
- 12.2 The risks of ownership of the Timber will pass to the Company when the Company takes delivery of it.
- 12.3 The Company will be deemed to have taken delivery of Timber when the Timber has been loaded onto a vehicle to be delivered to the Company by the Company or a person engaged by the Company;

13. SPECIFICATIONS

- 13.1 FCNSW must make available and the Company must take any Timber which conforms with the Specifications and is within other requirements of this Agreement.
- 13.2 Timber will be deemed to conform to the Specifications if the Company takes delivery of it.
- 13.3 If quantities of Timber which conform to the Specification, and which the Company is entitled to under this Agreement in the Year, are not available in the Year as a consequence of Force Majeure or in breach of this Agreement:
 - 13.3.1 the Company and FCNSW must within a reasonable period of time confer with a view to exploring the possibility of the Company accepting timber from categories of logs which are not within the Specifications, in replacement of the quantities of Timber that are not available. FCNSW must give written notice to the Company as soon as practicable and in any event within 28 days of becoming aware of a likely shortage and will in the same notice provide an opportunity for the Company to meet with FCNSW and provide particulars of:
 - (a) the extent and consequences of the shortage;
 - (b) details of other timber which FCNSW can supply by way of replacement timber ("Replacement Timber"); and
 - (c) the terms and conditions (including price) on which FCNSW would supply, or make available such Replacement Timber; and
 - 13.3.2 The Company will not be entitled to invoke the provisions of **clause 27.6.1** or to claim any damages for breach against FCNSW unless both parties have in good faith made all reasonable endeavours to meet the Company's needs for Timber from Replacement Timber available from FCNSW but outside the scope of the Specifications.
- 13.4 Replacement Timber supplied to the Company under the provisions of **clause 13.3** will be deemed to be Timber supplied under this Agreement.
- 13.5 At the request of the Company, FCNSW must consult with the Company with respect to the terms and conditions (including price) upon which FCNSW is prepared to supply or make available Replacement Timber.
- 13.6 The Company has no obligation to accept Replacement Timber on the terms proposed or at all.

14. DETERMINATION OF QUANTITY OF TIMBER

- 14.1 The method of determination of the quantity of Timber upon which the price is payable under this Agreement will be as set out in the Code of Procedure. The Code of Procedure may be amended by FCNSW from time to time as may be considered necessary by FCNSW, acting reasonably. FCNSW will consult with and take into account any comments of the Company before any amendments are effected or implemented.
- 14.2 The Company must ensure appropriate access to a weighbridge or other measuring device approved by FCNSW that will enable the Timber taken by the Company or delivered to the Company to be weighed. The Company must maintain and verify the weighbridge or other device as required by the manufacturer's specifications.

- 14.3 FCNSW may from time to time undertake an independent verification of the operation and accuracy of the weighbridge or other device used in the measurement of Timber upon which the price is payable under this Agreement.
- 14.4 If there is any inconsistency between the Code of Procedure and this Agreement, the provisions of this Agreement shall prevail.
- 14.5 If requested by FCNSW the company must supply and make available at the companies cost, electronic devices capable of running an electronic delivery docket system supplied by FCNSW, minimum requirements are IOS 9 for Apple devices or Android 4.4 for other devices.

15. PRICE

15.1 The price payable for the Timber shall be the Stumpage Price for the Timber.

16. STUMPAGE PRICE

- 16.1 The Stumpage Prices payable on the Commencement Date are the prices set out in **Item 5 of Schedule 1**.
- 16.2 Subject to **clause 16.3** the Stumpage Price for each Year thereafter shall be the Stumpage Price for the previous Year varied in the same proportion as the variation if any in the CPI. In calculating the variation the CPI figures used shall be the figures last published prior to commencement of the previous Year and the figures last published before the end of the previous Year.
- 16.3 Any variation to Stumpage Prices will be limited to plus or minus 5% in any one Year should the variation in the CPI be greater than plus or minus 5%.
- 16.4 Stumpage Price so calculated shall be applied retrospectively to the commencement of the Year. Any money due to a party as a result of the retrospective application of Stumpage Price must be paid within one month of the claim for the adjustment being made.
- 16.5 FCNSW must advise the Company in writing of any variation to Stumpage Price as soon as practicable after the variation is calculated.

17. PAYMENT

- 17.1 FCNSW will issue monthly invoices for Timber taken by the Company during the previous month.
- 17.2 The Company must pay any invoice issued to it prior to the expiration of 14 days after the date of its issue, or the expiration of the calendar month within which it was issued, whichever last occurs. The Company is liable to pay an invoice issued to it and any interest accrued on that invoice as a debt due and payable to FCNSW.
- 17.3 If the Company fails to pay an invoice within the time for payment of that invoice:
 - 17.3.1 FCNSW may give written notice to the Company of its intention to suspend the Company's right to take Timber if payment is not made within 7 days after the date of the notice; and
 - 17.3.2 FCNSW may suspend the Company's right to take Timber under this Agreement if the invoice is not paid within the 7 day period.

18. GOODS AND SERVICES TAX

Tuz

- 18.1 The Stumpage Prices and any other consideration for supplies specified in this Agreement do not, subject to the operation of this clause, include any amount in respect of GST unless provided otherwise.
- 18.2 The GST may be imposed on the Stumpage Prices and the Harvesting Rate.
- 18.3 If GST is or will be imposed on a supply made under this Agreement, the supplier may:
 - 18.3.1 increase the consideration otherwise provided for that supply under this Agreement by the amount of that GST; or
 - 18.3.2 otherwise recover from the recipient the amount of that GST.
- 18.4 The supplier must ensure that any invoice issued under this agreement in respect of a taxable supply is a Tax Invoice or Adjustment Note as appropriate or, if no invoice is to be otherwise issued under this Agreement, must issue a Tax Invoice or Adjustment Note as appropriate within 7 days of GST being imposed on a taxable supply made under this Agreement. Notwithstanding any other provision of this Agreement the payment of any amount by the recipient in respect of a taxable supply is subject to the issuing of the relevant Tax Invoice or Adjustment Note to the recipient.
- 18.5 Costs required to be reimbursed or indemnified under this Agreement must exclude any amount in respect of GST included in the costs for which an entitlement arises to claim an input tax credit provided that the reimbursement or indemnification does not amount to consideration for a taxable supply.
- 18.6 If the consideration for a supply under this Agreement is calculated by reference to the consideration or value of other supplies, in performing that calculation, the consideration or value for those other supplies excludes any amount in respect of GST payable on those supplies.
- 18.7 FCNSW shall raise RCTI's in respect of all Harvest Rate payments made to the Company, and RCAN's in respect of all adjustments to those payments, and the Company shall not raise Tax Invoices or Adjustment Notes in relation to the supplies made under this Agreement. In addition:
 - 18.7.1 copies of these RCTI's and RCAN's will be sent by FCNSW to the Company with the payment or adjustment to which they relate;
 - 18.7.2 the Company warrants that it is registered for GST and will notify FCNSW if that registration is cancelled;
 - 18.7.3 FCNSW warrants that it is registered for GST and will notify the Company if that registration is cancelled.
- 18.8 In this clause:
 - 18.9.1 **Adjustment Note** includes any document or record treated by the Commissioner of Taxation as an adjustment note or as enabling the claiming of an input tax credit for which an entitlement otherwise arises;
 - 18.9.2 **GST** includes any replacement or subsequent similar tax;
 - 18.9.3 GST Act means A New Tax System (Goods and Services Tax) Act 1999 (Cth);
 - 18.9.4 **Tax Invoice** includes any document or record treated by the Commissioner of Taxation as a tax invoice or as enabling the claiming of an input tax credit for which an entitlement otherwise arises; and

18.9.5 Terms defined in the GST Act have the same meaning in this clause unless provided otherwise.

19. PROVISION OF COMMUNICATION EQUIPMENT

- 19.1 For the purpose of ensuring adequate communications between the Company, any Other Supply Agreement Holders, FCNSW, and emergency services, the Company must provide and install the following communication items:
 - 19.1.1 Home/Office base telephone and e-mail;
 - 19.1.2 One mobile telephone capable of receiving email to be located at each Harvesting Operation during the hours of operation;
 - 19.1.3 Commercial UHF two-way radio receivers for each operator and/or machine, with such system to be accessible by FCNSW;
- 19.2 The Company must ensure that the communication items provided by the Company meet such reasonable standards and specifications (including frequency in the case of two-way radios) as FCNSW reasonably requires.
- 19.3 The Company must bear all costs associated with the installation and repair of the Company communication items.

20. LIABILITY FOR LOSS OF LOG PRODUCTS

The Company will have no claim against FCNSW for non-payment of the appropriate Harvesting Rates for Other Log Products harvested by the Company but lost or damaged prior to being brought into account under the Code of Procedure, unless the loss or damage occurred as a result of a negligent act or omission of FCNSW.

21. SALE OF TIMBER TO OTHER PERSONS

- 21.1 FCNSW reserves the right to:
 - 21.1.1 supply Timber and other timber from within the Area of Supply; or
 - 21.1.2 issue licences to obtain Timber, timber, products or forest materials within the Area of Supply;

to any other person providing it does not, by so doing, adversely affect its capacity to perform its obligations under this Agreement and nothing in this clause 21 relieves FCNSW from performing its obligations under this Agreement.

The Company may from time to time sell Timber which it owns to any person without the need for processing the Timber.

22. INDEMNITY AND INSURANCE

22.1 The Company must take out and maintain throughout the duration of this Agreement, with a licensed insurance company, insurance of the following kinds:

- 22.1.1 Worker's compensation insurance to the extent required by the law of the State of New South Wales. Such insurance must also cover work arising from the Company's obligations under clause 23.
- 22.1.2 Public liability insurance in such sum as shall be specified by FCNSW (but being a minimum of ten million dollars (\$10,000,000.00) per claim.
- The insurance in **clause 22.1.2** must note the interest of FCNSW in the policy. Any insurance policy referred to in **clause 22.1** must contain a provision requiring the insurer, whenever the insurer gives to or serves on the Company a notice of cancellation or any other notice under or in relation to the said policy of insurance, at the same time to inform FCNSW in writing that the notice has been given to or served on the Company and ensure that notice of any claim is given by the insurer to FCNSW and that FCNSW is kept fully informed of subsequent action and developments concerning such claim.
- 22.3 FCNSW shall not be liable in any way and the Company indemnifies and must at all times indemnify and keep indemnified FCNSW against all actions, proceedings, claims, demands, costs and expenses in connection with or arising out of the loss of or damage to the Equipment.
- 22.4 The Company indemnifies and must at all times indemnify and keep indemnified FCNSW and its servants and agents against all actions, proceedings, claims, demands, costs and expenses in connection with or arising out of the performance by the Company of this Agreement and any acts or things done in pursuance of the Agreement by the Company or any of his sub contractors except where the action, proceedings, claims, demands, costs and expenses is in connection with or arises out of a negligent act or omission of FCNSW.
- 22.5 If requested the Company must promptly provide FCNSW with evidence of the currency of insurance required under this **clause 22**.

23. FIRE PREVENTION AND SUPPRESSION

- 23.1 Company's duty
 - 23.1.1 The Company must take all reasonably practicable action to avoid the occurrence of, and to suppress, any fire which may occur in the vicinity of its Harvesting Operations.

24. SECURITY

- 24.1 The Company must provide and maintain security ('security') for the performance of the Company's obligations under this Agreement in a sum determined by FCNSW from time to time. The amount of the security ('secured amount') determined by FCNSW may not exceed the lesser of:
 - 24.1.1 the maximum amount which would be payable by the Company for 30% of the Allocation; or
 - 24.1.2 the amount determined for the Company in accordance with FCNSW's Credit Policy.
- 24.2 The security must:

- 24.2.1 be in a form approved by FCNSW; and
- 24.2.2 be lodged within fourteen (14) days of written request by FCNSW.
- 24.3 FCNSW may, after advising the Company, draw upon the secured amount to cover any loss or damage caused by the Company's breach of its obligations under this Agreement.
- 24.4 If FCNSW draws on the secured amount under this Agreement but does not terminate this Agreement as a result of the breach or if FCNSW gives written notice of an increase in the secured amount, then the Company must provide additional security on FCNSW's written request so that the secured amount is maintained at the level determined under clause 24.1.
- 24.5 FCNSW may suspend the Company's rights to take Timber under this Agreement if the Company fails to lodge the security when requested to do so.
- 24.6 FCNSW must release the security to the Company upon the expiration of 6 months after the date of termination of this Agreement provided FCNSW is satisfied that no money is due or potential for further liability exists to FCNSW.

25. FORCE MAJEURE

- 25.1 If the Company is prevented from taking or accepting Timber or Other Log Products by Force Majeure and:
 - 25.1.1 the Force Majeure was not caused by any act or omission on the part of the Company or any employee or agent of the Company;
 - 25.1.2 the Company had taken all practicable precautions to prevent the Force Majeure; and
 - 25.1.3 the Company has made all reasonable efforts to contain the effect of the Force Majeure;

then the Company may apply to FCNSW for suspension or modification of its obligations under this Agreement to the extent that its ability to meet its obligations have been adversely affected by the Force Majeure.

- 25.2 Where the Company makes an application under clause 25.1, FCNSW will negotiate with the Company in good faith to review the Allocation taking into account the functions and obligations of FCNSW under this Agreement and the Act and the requirements for the Company to do all things practicable to mitigate the effect of the Force Majeure.
- 25.3 If FCNSW is prevented from performing all or any of its obligations under this Agreement by reason of Force Majeure:
 - 25.3.1 the Company will have no claim against FCNSW under this Agreement, to the extent that the non-performance is due to the Force Majeure;
 - 25.3.2 if FCNSW is unable to resume the performance of its obligations within a period of 3 months from the date of the occurrence of the Force Majeure or the date when the occurrence of the Force Majeure first became apparent (the 'relevant date') either party may terminate this Agreement by written notice. The right to give notice under this clause must be exercised within a period of 4 months from the relevant date and in this regard time will be of the essence; and
 - 25.3.3 FCNSW may allocate any Timber which is available to the Company and other persons in a manner which reflects FCNSW functions and obligations under the Act and accords with

2m2

any directions of the Minister administering the Act provided that where reasonably practicable and not inconsistent with those functions, obligations or directions FCNSW must apportion the available Timber justly and equitably among those persons who would in the usual course, have been supplied with the Timber had it not been for the Force Majeure.

A party affected by Force Majeure must give initial notice of the existence or occurrence of the Force Majeure as soon as is practicable to do so and in any case it must provide a more detailed notice within 28 days of the Force Majeure being apparent which provides clear details of the event or occurrence claimed as Force Majeure and setting out particulars of the likely effects of the event or occurrence in question.

26. LIMITATION OF LIABILITY

26.1 Where FCNSW is in breach of this Agreement by reason of any failure to make Timber available or to supply or deliver Timber, any loss suffered by the Company will be limited to any loss, damage or expense incurred by the Company as a direct result of the failure to make Timber available or to supply or deliver Timber under this Agreement and will not include any loss of profits or consequential loss.

27. DEFAULT OR INSOLVENCY

- 27.1 If the Company or FCNSW breaches or repudiates this Agreement, nothing in this clause will prejudice the right of either party to recover damages or exercise any other right.
- 27.2 If the Company commits a material breach of this Agreement and FCNSW considers that damages may not be an adequate remedy, FCNSW may give the Company a written notice to show cause.

Material breaches include without limitation:

- 27.2.1 failing to take the quantities of Timber set out in clause 6;
- 27.2.2 failing to carrying out Harvesting Operations in relation to Other Log Products in accordance with clause 8:
- 27.2.3 commencing any harvesting operations prior to receipt of a Plan of Operations or a Harvesting Plan in breach of **clause 9.4**;
- 27.2.4 failing to accept Timber in breach of clause 13.1;
- 27.2.5 failing to make payments in breach of clause 17;
- 27.2.6 failing to provide security or to adjust or vary the secured amount in breach of clause 24;
- 27.2.7 purporting to assign the whole or any part of this Agreement without the approval of the FCNSW in breach of clauses 29 or 30; and
- 27.2.8 failing to comply with conditions imposed by FCNSW pursuant to **clause 30** of this Agreement.
- 27.3 A notice under clause 27.2 must:

100

- 27.3.1 state that it is a notice under clause 27.2 of this Agreement;
- 27.3.2 specify the alleged material breach;

4 9 S

- 27.3.3 require the Company to show cause in writing why FCNSW should not exercise its right to terminate under clause 27.4:
- 27.3.4 specify the time and date by which the Company must show cause (which must not be less than 14 days); and
- 27.3.5 specify the place at which cause must be shown.
- 27.4 If by the time specified in a notice under clause 27.2 the Company fails to show reasonable cause why FCNSW should not exercise its right of termination, FCNSW may by notice in writing to the Company terminate this Agreement.
- 27.5 If:
 - 27.5.1 the Company informs FCNSW in writing or its creditors generally that it is insolvent;
 - 27.5.2 commits an act of bankruptcy;
 - 27.5.3 has a bankruptcy petition presented against it;
 - 27.5.4 is made bankrupt;
 - 27.5.5 the Company enters a scheme of arrangement or composition with creditors;
 - 27.5.6 a resolution is passed at a meeting of creditors to place the Company under official management in the form of an administrator or liquidator of the Company;
 - 27.5.7 an administrator or liquidator of the Company is appointed;
 - 27.5.8 a receiver of the property or part of the property of the Company is appointed;
 - 27.5.9 a winding up order is made in respect of the Company; or
 - 27.5.10 execution is levied against the Company by creditors, debenture holders or trustees or under a floating charge.

FCNSW may, without giving a notice to show cause, terminate this Agreement by notice in writing to the Company.

- 27.6 If FCNSW commits a material breach of this Agreement and the Company considers that damages may not be an adequate remedy, the Company may give FCNSW a written notice to show cause. Material breaches include without limitation:
 - 27.6.1 failing to comply with clause 5;
 - 27.6.2 failing to process any application requesting an assignment of this agreement in breach of clauses 29 or 30.
- 27.7 A notice by the Company under clause 27.6 must:
 - 27.7.1 state that it is a notice under clause 27.6 of this Agreement;
 - 27.7.2 specify the alleged material breach;
 - 27.7.3 require FCNSW to show cause in writing why the Company should not terminate this Agreement;

The Contract

- 27.7.4 specify the time and date by which FCNSW must show cause (which must not be less than 14 days); and
- 27.7.5 specify the place at which cause must be shown.
- 27.8 If by the time specified in a notice under **clause 27.6** FCNSW fails to show reasonable cause why the Company should not exercise its right of termination, the Company may by notice in writing to FCNSW terminate this Agreement.

28. RESOLUTION OF DISPUTES - MANDATORY MEDIATION AND ARBITRATION

28.1 If a dispute or difference between the parties arises out of or in connection with this Agreement or concerning the interpretation or operation of any provision of this Agreement which cannot be settled by the parties within twenty eight (28) days, the parties agree that they must endeavour to settle the dispute or difference by mediation before having recourse to arbitration. The mediator must be a person agreed by the parties or failing agreement a party may request the Australian Commercial Disputes Centre (ACDC) to appoint a mediator and the mediator will be so appointed.

The mediator must conduct proceedings under this clause in accordance with the Guidelines for Commercial Mediation of the ACDC. During the course of any mediation each party must be represented by a person having authority to agree to a resolution of the dispute.

28.2 In the event that the dispute has not been settled within twenty eight (28) days or such other period as agreed to in writing between the parties, after the appointment of the mediator, the dispute or difference must be submitted to arbitration.

Any arbitration must be conducted by a person acceptable to the parties but if the parties are unable to agree to the appointment of an acceptable person within fourteen (14) days of one party giving the others a written nomination of a suitable person or persons, then a party may request the Chair of the Resolution Institute, to appoint an arbitrator and the arbitrator will be so appointed. Any arbitration must be undertaken in accordance with, and subject to, the Resolution Institute Arbitration Rules.

- 28.3 The Arbitrator or some person appointed on the Arbitrator's behalf may investigate the Company's and FCNSW' affairs and accounts so far as may be necessary to assist the Arbitrator to determine any matter referred for arbitration. The Company and FCNSW must give the Arbitrator full access to all accounts and papers necessary for that purpose and must afford the Arbitrator full information and assistance.
- 28.4 Any mediation or arbitration must be held in Sydney, NSW and either party may be represented by a legal practitioner.

29. ASSIGNMENT

- 29.1 The Company may not without the prior approval of FCNSW assign its rights and entitlements under this Agreement in whole or part to any person.
- 29.2 If the Company is a corporation, any Change in Control of the Company (or if the Company is a subsidiary, any Change in Control of its holding company) will be deemed to be an assignment of the Company's rights and entitlements under this Agreement.
- 29.3 If the Company wishes to assign the whole or any part of this Agreement it must make a written application to FCNSW requesting an assignment and must provide all details and information concerning the assignee and the effect of the assignment as may be reasonably required by FCNSW.

- 29.4 The Company must pay all debts due and payable to FCNSW under this Agreement before an assignment (in whole or part) of its interest in this Agreement.
- 29.5 Upon receipt of any request for an assignment of the whole or any part of this Agreement, FCNSW must process the application in accordance with clause 30 provided the Company has supplied any details and information required by FCNSW under clause 29.3.
- 29.6 The Company must ensure that any assignee executes all agreements and other documents which FCNSW may reasonably require to record or effect any assignment.

30. FCNSW'S APPROVAL FOR ASSIGNMENT

- 30.1 FCNSW must determine any request for an assignment of the whole or part of this Agreement within 1 month of receiving the request for assignment unless FCNSW extends that period by notice in writing to the Company provided that any such notice must state the extended period, give the reasons why the recommendation has not been made to the date of the notice, and the reasons why a further period is required before the recommendation can be made.
- 30.2 FCNSW may determine an application requesting an assignment of the whole or part of this Agreement by granting the application (either unconditionally or subject to conditions of the kind set out in clause 30.3) or by refusing the application. An application may only be refused on the following grounds:30.2.1 such grounds as may be prescribed by regulations under the Act;
 - 30.2.1 such grounds as FCNSW (acting reasonably) considers relevant having regard to;
 - (a) the need to promote a competitive timber industry and to prevent misuse of market power; or
 - (b) government policy including the socio-economic impact of the assignment on rural communities; or
 - (c) the impact on FCNSW's capacity to meet its obligations under this Agreement or other written contracts for the harvesting, haulage or supply of timber; or
 - 30.2.2 At the time the application is made the Company has committed a material breach which has not been remedied or rectified including without limitation any failure to make payment to FCNSW as required under **clause 17**.
- 30.3 If the Company has committed a material breach which has not been remedied or rectified including without limitation any failure to make payment to FCNSW as required under clause 17, FCNSW may impose (without limitation) a condition on an application for requesting an assignment of the whole or part of this Agreement, requiring any assignee to undertake the rectification or remediation of the material breach including the payment in full of any accrued debts due and owing to FCNSW.

31. VARIATION

- 31.1 This Agreement comprises the entire understanding of the parties.
- None of the provisions of this Agreement may be varied, waived, discharged or released either at law or in equity, unless by the express consent of the parties in writing.

32. INTEREST

242

32.1 In the event that the Company fails to pay any money due to FCNSW when required to do so by this Agreement, interest will accrue on all unpaid money from the date of default until payment in full at the rate of interest per annum for the time being payable under section 101 of the Civil Procedure Act 2005 (NSW).

33. NOTICE

- Any notice required to be served under this Agreement may be served at the places specified for each party as set out in **Schedule 1**.
- 33.2 The parties may change the address for service of notice from time to time by notice in writing to the other party.
- 33.3 A notice under this Agreement must:
 - be in writing and directed to the other party as specified in **clause 33.1** or the address last notified by the intended recipient to the sender; and
 - 33.3.2 forwarded to the address or the email address of that party.
- 33.4 A notice under this Agreement will be deemed to be served:
 - in the case of delivery in person when delivered to the recipient's address for service and a signature received as evidence of delivery;
 - 33.4.2 in the case of delivery by post within three business days of posting;
 - in the case of delivery by email, on receipt of confirmation by the sender that the recipient has received the email.
- Despite the preceding clause, if delivery or receipt of a communication is on a day which is not a business day in the place to which the communication is sent or is later than 5 pm (local time in that place) it will be deemed to have been duly given or made at 9 am (local time at that place) on the next business day in that place.

34. GOVERNING LAW

34.1 This Agreement is governed by the laws of New South Wales and the parties agree to the jurisdiction of the Courts of New South Wales.

35. SEVERABILITY

35.1 If any provisions of this Agreement are held to be invalid, illegal or unenforceable by a Court or other tribunal of competent jurisdiction, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

36. GENERAL

36.1 A party terminating this Agreement as a result of a failure or default of the other party may only claim damages for any loss resulting from the failure or default if the claim for damages is not excluded under this Agreement.

- 36.2 If a party is at liberty to determine a matter under this Agreement or act unilaterally with respect to some amendment of any procedure (including the Code of Procedure) it must, in doing so, act reasonably and in good faith.
- 36.3 If a party is obliged to consult with another party the parties must consult with each other in good faith and have reasonable regard to what is put by the other party.

37. CONFIDENTIALITY

- 37.1 No party will disclose the contents or terms of this Agreement or any information or documents received by it in connection with the negotiation of this Agreement or pursuant to the provisions of this Agreement without the prior written consent of the other parties, except to the extent that:
 - 37.1.1 the information is available to the public generally;
 - 37.1.2 that party is required to make the disclosure by law or to make any filing, recording or registration required by law;
 - 37.1.3 the disclosure is necessary or advisable for the purpose of obtaining any consent, authorization, approval or licence from any public body or authority;
 - 37.1.4 it is necessary or expedient that the disclosure be made to any taxation or fiscal authority;
 - 37.1.5 the disclosure is made on a confidential basis to the professional advisers of that party (including any industry association) for the purpose of obtaining advice in relation to this Agreement or the enforcement of this Agreement or otherwise for the purpose of consulting those professional advisers;
 - 37.1.6 the disclosure is required or desirable to be made in pursuance of any procedure for discovery of documents and any proceedings before any court, tribunal or regulatory body;
 - 37.1.7 the disclosure is made on a confidential basis to a potential financier of the party, purchaser of the party or shares in the party, or assignee of the party's interest in this Agreement.

38. OBLIGATION TO CONSULT

- 38.1 Where in this Agreement there is an obligation to meet to review, confer, negotiate or consult the obligation of each party is to do so in good faith and have reasonable regard to matters put by the other in respect of the relevant subject matter.
- 38.2 Where in this Agreement a party is entitled to determine a matter following a review, conference, negotiation or consultation with the other, in determining the matter the party determining the matter must act reasonably and in good faith and have reasonable regard to matters put by the other in respect of the relevant subject matter.

SCHEDULE 3 – CODE OF PROCEDURE FOR REDGUM TIMBER SALES

CODE OF PROCEDURE

CODE OF PROCEDURE FOR RED GUM TIMBER SALES

WESTERN

FEBRUARY 2014

Section 1: Measuring and Marking of Log Products

1.1 Measuring of Log Products

1.1.1 Sale by volume

The Harvesting Contractor must ensure that Log Products which are sold by volume are measured in accordance with Table 1.

Table 1: Log Measurement

PRODUCT	LENGTH	DIAMETER
Quota	Actual length in decimetres rounded down to the next whole decimetre	Actual centre diameter underbark in centimetres rounded down to the next whole centimetre

1.1.2 Sale by weight

Ex Quota and Residue logs are to be sold by weight. A certified weighbridge will be used to determine the weight of each load.

1.2 Marking of Log Products

1.2.1 Log Product Code

The Harvesting Contractor must ensure that log products (including residue) are clearly marked at the large end using paint or crayon (where applicable) in accordance with Table 2.

Table 2: Log Product Code

PRODUCT	CODE
Quota	0
Exquota	Z
Residue/Thinnings	DOT IF >25CMS BUTT DIAM

Section 2: Delivery Dockets

Load details will be recorded on a Delivery Docket prior to removal of log products from the loading point and a copy of the Delivery Docket will be carried with the load. Delivery Dockets take the form a paper Delivery Docket from a Delivery Docket Book. FCNSW will issue Delivery Docket books to the Company at cost price.

Completion of Delivery Dockets

2.1 Delivery dockets

The Harvesting Contractor must ensure that, prior to departure from the Loading Site, the following details are completed on the Delivery Docket:

- i) Customer/Location
- ii) Date
- iii) Time
- iv) Region
- v) State forest or lease name
- vi) Compartment no# or lease no#
- vii) Product (Where relevant)
- viii) Grade (Where relevant)
- ix) Harvest, Load and Haulage Contractor
- x) Truck Driver Name
- xi) Gross, Tare and Net Weight (where weight sales are by truck scales) Tare weight will be predetermined at the commencement of each quarter on the basis of a certified weighbridge).

Where logs are to be accounted for by volume, the following additional details must be recorded for each log on the load:

- Length (refer to Table 1)
- Diameter (refer to Table 1)
- Product Code (refer to Table 2)

2.2 Receipt of Delivery

Delivery Dockets must be signed by the Customer and will be distributed in the following manner:

ORIGINAL – Forest NSW Copy. This must be signed by the Customer and then returned to FCNSW. Verification of receipt is achieved through the process outlined in Section 2.4.

DUPLICATE – Customer copy. Signed copy to be retained by the Customer.

& Bus

2.3 Docket Errors

In the event of a Delivery Docket error being identified prior to Delivery, or at the Delivery Site prior to the truck which delivered the load departing the site, the necessary amendment must be made on the Delivery Docket and such changes initialled by the Customer's representative and the truck driver. The customer will then submit the original docket to FCNSW. The duplicate copy of the docket must be retained by the Customer for 60 days from the date of the docket.

Errors relating to log grade are to be treated separately as a disputed log as these changes can only be made by a FCNSW Officer (refer section 4).

2.4 Submission of Dockets

The original Delivery Docket and duplicate copies of the Delivery Docket must be signed with the original sent to FCNSW by the customer.

The original of any Delivery Dockets utilised during the month must be lodged with the Western Region, Dubbo Forestry Office on a weekly basis and **no later than the first calendar day of the following month after the monthly accounting period**, or such other times as the District Manager may direct. Dockets may be faxed with originals posted as soon as possible.

This process will provide the means of verification of delivery and acceptance or otherwise of loads delivered.

Duplicate copies of Delivery Dockets must be retained by the Customer for a minimum of 60 days from the date of the docket, unless otherwise requested by FCNSW.

2.5 Basis of Accounts

Delivery Dockets will form the primary basis of accounts.

The outcome of docket errors and disputed logs / loads may be used to vary the information initially submitted on a Delivery Docket. In those cases the docket data as varied will be the basis of accounts.

Docket errors are errors made on the docket that do not affect the log or load details. Disputed logs/loads are errors on the docket that do.

2.6. Calculation of volume

2.6.1. Quota

The volume of a Quota sawlog is calculated using the formula below

 $V = L \times \Pi \times D^2 / 4$

Where

V is volume in cubic metres

L is log length in metres rounded down to the next even decimetre

D is log diameter in metres

SECTION 3: SALE BY WEIGHT

3.1 Sale by Weight Using Weighbridges

3.1.1 <u>Use of Weighbridges en route to a Delivery Site</u>

Where loads to a customer are weighed on a weighbridge en route to the Customer the following process applies:

- The gross weight of the truck, trailer and load is to be recorded on an approved printed receipt at the weighbridge and the weight receipt carried with the load and
 - the gross weight is to be recorded on the Delivery Docket and weight receipt attached to the Docket. Originals will be submitted to FCNSW by customer

3.1.2 Weighbridges at the Delivery Site

Where weights are recorded on an approved printed receipt, the tare weight of the truck and the trailer and the net weight of the load is to be printed on the receipt referred to above following the unloading of the truck. The tare weight, gross weight and net weight are to be recorded on the Delivery Docket and a copy of the weighbridge docket is to be attached to the original copy of the Delivery Docket.

Section 4: Disputed Logs

4.1. Disputed Logs

Section 4 only applies in cases where FCNSW makes Timber available by conducting Delivered Sales. Where the Customer is, or engages, the Harvest Contractor directly to produce Timber under their supply agreements with FCNSW the customer will be deemed to have accepted the Timber when they load it onto trucks at the Loading Site.

A disputed log is a log where the Customer disagrees with either the log details or the grade of the whole or part of the log.

The Customer, if disagreeing with log details or grade, must notify FCNSW of the disputed log within three business days of the delivery of the log.

A FCNSW Officer will inspect any disputed logs within five working days of being notified wherever practical.

Where the FCNSW Officer determines that the disputed timber fails to meet the Specifications or that there has been an error on the Delivery Docket, action as determined in Table 6 below will occur. Where the FCNSW Officer determines that the disputed timber fails to meet the Specifications and the customer refuses to accept the log, FCNSW will request the Harvesting Contractor to arrange for the log to be picked up and delivered to an alternative delivery site. Where this is not practical, FCNSW will make alternative arrangements. Any logs so redirected will require a new Delivery Docket to cover the delivery as set out in this Code. The action required is set out in Table 6.

China Cont

Any dispute over a decision made by a FCNSW Officer regarding disputed logs should be referred to the District Manager for resolution.
